Text Wrap

It's easy to flow text around objects and across columns to create a professional quality result. This is a great tool to use when creating newsletters, brochures, fliers and more.

It's as easy as adding a linked text box, or right-clicking on an object and selecting "Wrap Text Around Object."

Manage Your Contacts with Ease

Create an address book for all your contacts. Store addresses, phone numbers and even special dates like birthdays and anniversaries.

Mail Merge

The Print Shop offers the easiest mail merge around. Simply add the contact fields right into your project.

Posters & Signs

CD/DVD Labels
